

# FOR IMMEDIATE RELEASE

March 3, 2004

The First Annual NCDSB Fun Curling Day took place on February 21, 2004 at the Cochrane Curling Rink and was enjoyed by all who participated.

The focus of the three (4 end) games played by each team was on participation and enjoyment. No previous experience was required with the only stipulation being that two of the four members of each team be employees/trustees of the Board. Members of CUPE, OECTA, and the Board Office participated with their invited guests in the one day event held in Cochrane this year.

The day was successful for two reasons. The first was financial donations from the three groups mentioned which covered the cost of renting the facility. The second was the great hospitality displayed by the hosts and staff of Aileen Wright English Catholic School.

A special thank you goes out to Scott Tracy, Tamara Jones and her husband Mark, who were the main organizers of the event. Their efforts in organizing teams, setting up, getting prizes, wrapping them and co-ordinating the free lunch prepared by staff, was greatly appreciated.

In 2005, we hope to host the event in Timmins and move the location to the southern region for the 2006 season.

Keep these thoughts on ice.
