### JUNIOR KINDERGARTEN REGISTRATION MONDAY JANUARY 15<sup>TH</sup> 2007

Doors will be open to welcome families for Junior Kindergarten Registration at Northeastern Catholic District School Board schools on Monday, January 15<sup>th</sup> from 9:30am to 4pm.

Beginning school is a journey that can create feelings of joy and apprehension for parents and children alike. With this in mind, our experienced and caring educators will help guide and assist students and their families through this transitional period and ensure the experience is positive for all involved.

Since every child begins their learning experience at various development stages, our goal for all children to reach their full potential through differentiated teaching and learning strategies. Literacy skills are explored through

activities in the like of songs, prayers, and stories. Sorting, patterning, counting, and number models all assist with diverse math concepts. Child-centered and activity-oriented classrooms provide opportunities essential to better shape the academic success and spiritual growth of our students. Northeastern District Catholic School Board is committed to providing quality education aligned with our Christian principles that value the uniqueness of each child.

Our Catholic school communities offer:
