

St. Paul Student Wins "I Am Thankful" Scholastic contest

Regan Harper, grade one student at St. Paul School, recently won first place in the Scholastic SeeSaw Book Club's "I Am Thankful" contest. His prize included a home library worth \$50 as well as a second library for the classroom worth \$50. Regan's teacher, Meredith Young, was very proud and commented how it is this type of initiative that helps instill the love of reading at this very young and impressionable age.

Betty Pichette, Acting Administrator for St. Paul School added, "I am very proud of Regan for winning this provincial writing contest through Scholastic. It is not only a credit to his classroom teacher, Miss Young, but also to the dedication of our entire staff in promoting literacy."

Miss Young's class is presently participating in SeeSaw Book Club's "Reading is Giving" initiative. Scholastic will donate books to needy classrooms across Canada for every 100 books read in class. A promotional poster is used within the classroom to mark milestones as students happily colour letters for each book that is read.

SeeSaw Book Club's **I am Thankful! Contest** Official Entry Form
Draw a picture of what you are thankful for in the space below:

Describe your drawing:
I am thankful for my eyes because I can see birds!
