O'Gorman Intermediate Catholic School starts Ipad Program

Timmins, October 8, 2010:

O'Gorman Intermediate Catholic School is starting up the Apple Ipad program next week in the all boys class. On this coming Tuesday, October 12th, 2010, the school will be conducting a Parent Information Night between 6:30 pm and 7:30 pm to officially launch the Apple Ipad program and answer any questions the parents may have.

The goal of this program is to promote boys literacy by providing every child in this class with an Ipad and all the electronic books they can read. The research project will be implemented by PhD student Tina Benevides under the direction of Dr. David Booth, a world renowned educator in boys literacy.

Ted Weltz, Principal of O'Gorman Intermediate Catholic School commented, "This single gender class is one of the first in Timmins and offers Sue Chartrand, the teacher, an excellent opportunity to deliver a program with strategies that are in line with how boys learn best."
