NEWS RELEASE

St. Jerome Students Enjoy the Junglesport Experience

Kirkland Lake, ON, June 17, 2010:

Junglesport Inc™ brought the wonders of outdoor adventure into the safe, secure controlled environment of St. Jerome School. Two qualified instructors set up the jungle experience in the school gym and guided students through a 5 day journey of swinging vines, rock climbing, rickety bridges, snakey ladders, zip lines, giant swings, spider's webs, and other adventurous jungle elements.

Karen MacGregor, Principal of St. Jerome School commented, "Junglesport really allows for a different learning experience for our students. The students really enjoy participating in all of the Junglesport activities which are all aligned with the Physical Education curriculum. Their imaginations have been actively at work while they pretend they are in the jungle. Our thanks goes out to our parent community, who, through their support of our fund raising efforts, have made this event possible again this year."
