The Northeastern Catholic District School Board Prepares for Graduations

Northeastern Ontario, June 17, 2010: The 2009-2010 school year is drawing to a close and the Northeastern Catholic District School Board is preparing to host nine Grade 8 celebrations and one Grade 12 Graduation ceremony between June 22 and 24, 2010.

During the last week of school, it is a time to congratulate the students in Grade 8 and Grade 12 who have successfully completed their studies and are preparing to move on to the next phase in their lives. For Grade 8 students, that next phase is high school, a big adjustment for many students and their parents. Our Grade 12 graduates prepare for post-secondary studies or venturing out into the work world.

Tricia Stefanic Weltz, Superintendent of Education, commented "This is an exciting time of the school year when students reflect on their individual accomplishments, and celebrate their many achievements with family and friends. We thank our graduates for being a part of Catholic education, and for representing our school board so well for so many years. We hope that all of our departing students will be blessed with many new learning opportunities, richness in love and life, and individual journeys that bring them endless joy and success."
