NEWS RELEASE

O'Gorman High School Teacher to share knowledge of Physics Timmins, November 8, 2010:

Peter Dobias, OHS Physics Teacher, attended the Perimeter Institute Physics Teachers Network workshop in Waterloo on October 21st to 23rd, 2010.

The Physics Teachers Network is set up to share free resources on modern physics with high school teachers and trains them to share the resources with other teachers in their region.

Mr. Dobias commented, "With the training I received at the workshop, I will be offering workshops in the near future for physics and grade 9 science teachers from the other high schools in the region. The workshop I'm offering on November 24, 2010 is going to be on The Mystery of Dark Matter and how the topic can be taught in grade 9 science and in grade 12 physics."

Mr. Peter Dobias, OHS Physics Teacher

Darren Berthier, OHS Principal noted, "We are proud of Mr. Dobias for being able to share his knowledge with fellow Physics teachers from the other local high schools. This information will benefit all of our students."

Peter Dobias was invited to work with the Perimeter Institute on a national collaboration of physics teachers and to present workshops to local science teachers on incorporating modern physics in the classroom.
