NORTHEASTERN CATHOLIC
DISTRICT SCHOOL BOARD
"You Are The Light of The World!"

NEWS RELEASE

Catholic Students Learn about Being Stewards of Our Earth

Northeastern Ontario, March 20th, 2013:

The Northeastern Catholic District School Board actively supports the upcoming Earth Hour on Saturday, March 23rd, starting at 8:30 pm. We encourage our students, staff members and the entire Catholic community of which we are a part, to lead by example in conserving energy and the natural resources of our planet. By being responsible stewards of our planet, we learn to be responsible members of society; each person has a role to play in these efforts. We encourage you to turn off your lights, turn off the TV and reduce your consumption of electricity during this hour. We also encourage you to recycle in your home and in your schools.

Earth Hour is the single, largest, symbolic mass participation event in the world. Born out of a hope that we could mobilize people to take action on climate change, Earth Hour now inspires a global community of millions of people in 7,001 cities and towns across 152 countries and territories to switch lights off for an hour as a massive show of concern for the environment.

Please check out this web site to see how else you can get involved in the upcoming Earth Hour activities: www.earthhour.org/
