NEWS RELEASE

Science Fair Winners Lead the Way

Sacred Heart Catholic School, Kirkland Lake, March 9, 2010: The Grade 8 Science Fair wrapped up at Sacred Heart Catholic School in Kirkland Lake and once again the students demonstrated their creativity and imagination and science skills.

Mr. Orth, Grade 8 Science Teacher commented "As always, the annual Science Fair was an overwhelming success. The judges from the community were very impressed with the amount of work that the students did and the quality of the projects."

This year's Grade 8 Science Fair winners are: First place Kennedy Levesque, her project was titled "Into the Mix"; second place went to Taylor Fraser whose project was titled "Candy Chromatography" and the third place was awarded to Ted Roman for his project titled "Determining the Best Growing Medium for starting Tomato Plants"

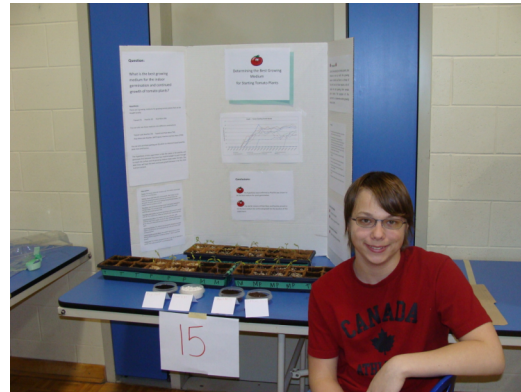

1st Place winner Kennedy Levesque

Kennedy Levesque, 1st Place winner said "It's going to be great going to the Regional Science Fair for the second year in a row. I have lots of fun doing Science Fair and I hope everybody enjoys my project as much as I did."

Taylor Fraser, 2nd place finisher commented, "It will be a great experience competing in Timmins as this will be my first time."

Ted Roman who was awarded 3rd place boasted, "Science Fair is a good experience for me as in the future, I want to be a scientist."

The students will be travelling to Timmins to compete in the Regional Science Fair on April 8 to 10, 2010.

3rd Place winner Ted Roman
