NEWS RELEASE

O'Gorman High School Students Serve Up Great Food at Boston Pizza Timmins, October 4, 2010:

O'Gorman High School students will be acting as your server at Boston Pizza on Sunday, October 17, 2010 between 4:00 pm and 8:00 pm . This unique fundraiser will provide the Link Leaders with 10% of all food sales. All O'Gorman Alumni and current students, staff and their families are encouraged to support the Link students and visit Boston Pizza on October 17th.

The Link Students are raising funds to go to Ottawa for a National Link Student Conference and Rally.

Doug Basso, Link Crew Coordinator/ Catholic Student Life Department Head, commented, "This is a great fundraising opportunity for the Link Students. It shows our community who they are, while working for some money that will in turn benefit them at the Student Link Conference."

O'Gorman High School started the Link program 4 years ago. It is a program that trains senior students as leaders who work with the grade 9 students helping them succeed in their first year of high school. The program's motto is "Students helping students succeed", and that is exactly what it does. Link Leaders teach lessons, run themed activities and initiate change by helping all grade 9 students reach their potential. This unique program has continued to grow. The Student Link Conference, taking place in Ottawa, will help these OHS Link Leaders achieve their mandate by providing them with skills and motivation to continue their work at O'Gorman High School.

All friends of O'Gorman are encouraged to take their friends/family to Boston Pizza for a "green and white" night to remember.

Please contact Doug Basso at 268-4501 ext 4122 to make your reservation. Leave a message indicating the names in your group and the time you will attend the event on October 17th.
