St. Paul School Hosts 3rd Annual Open House for Families
Timmins, September 22, 2011:

The new school year has started and students at St. Paul School are settling in nicely to the routines of the new school year. To help introduce the school and staff members to parents of students from St. Paul School, the **3rd Annual St. Paul School Open House** took place on **Tuesday, September 20, 2011** between 6:00 pm to 7:30 pm.

Daphne Brumwell, St. Paul School Principal commented, "We really enjoyed meeting our students' parents and showcasing our school. The St. Paul School Open House allows for students to take their parents into the classrooms, tour the school and it allows for our teachers and parents to get to know each other in a more social setting."

Many different community organizations were present in the St. Paul School gymnasium to let parents know about what other services are available to support them.
