## 'Eagle Thunder. Song of Hope' Presentation Comes to Area Catholic Schools

Northeastern Ontario, March 27, 2013:

The Northeastern Catholic District School Board was very pleased to be able to bring in Shannon Thunderbird and Sandy Horne and have them present to our students.

Lisa Innes, Aboriginal Liaison for NCDSB commented "We were very fortunate to have Shannon Thunderbird visit a number of our schools during the past week. Shannon's presentation 'Eagle Thunder: Song of Hope' showcased a number of cultural teachings as well

as a strong anti-bullying message. Students had various opportunities to participate in drumming, dancing, and singing. NCDSB is proud to offer presentations that promote unity and diversity to our staff and students."
