NORTHEASTERN CATHOLIC  
DISTRICT SCHOOL BOARD  
"You Are The Light of The World!"

# NEWS RELEASE

## NCDSB Celebrates World Catholic Education Day Northeastern Ontario, May 16, 2012:

The Northeastern Catholic District School Board will be celebrating *World Catholic Education Day* on **Thursday, May 17<sup>th</sup>, 2012**. This date is important and should be celebrated as Catholic education is a very special gift. Not everyone has the freedom to experience that gift.

Glenn Sheculski, Director of Education commented, "At the Northeastern Catholic District School Board, we strive to provide the very best in Catholic Education. We endeavour to instill in our students the core values of our Catholic faith. We highlight social justice programs, community awareness and support environmental programs that respect our world, but most importantly, we share the Gospel values with our students. These core Christian values are what make the difference in our students and in our educational system."

On May 17, Catholic education will be celebrated globally and the Canadian Catholic School Trustees' Association encourages Canadian Catholic Schools to take part.

World Catholic Education Day is a time for Catholics around the world to take a moment to pause, reflect and pray on the gift that is Catholic education.

With this year's theme marked as Unity and Maturity in the Body of Christ, the day is a chance to reflect on how Catholic education has served parents and their children in most nations throughout the world for centuries.
