

COMMUNITY INVOLVEMENT & CHRISTIAN SERVICE

Information Package for Students and Parents

Revised September 2018

*“Each one should use whatever gift he has received to serve others,
faithfully administering God’s grace in its various forms.”*

1 Peter 4:10

INTRODUCTION

Every student who begins secondary school in Ontario will be required to complete 40 hours of community involvement in order to receive a diploma. The purpose of this requirement is to encourage students to develop an understanding of the various roles they can play in their community and to help them develop a greater sense of belonging within the community. Within our Catholic high schools, we consider community involvement to be an act of Christian service which is motivated and inspired by the Gospel call to service and community building.

Students will select Community Involvement & Christian Service activities in consultation with their parents. Selection of activities should take into account the age, maturity, and ability of the student; the location and environment of the proposed activity; and the need for any special training, equipment, and preparation. **The safety of the student is paramount.**

Students may begin fulfilling the Community Involvement & Christian Service graduation requirement during the summer before entering their grade 9 year. Students are encouraged to complete their mandatory 40 hour requirement by the end of their grade 10 year. Students will not receive their Ontario Secondary School Diploma if the 40 hour requirement is not met.

Students will not be paid for performing any community involvement activity.

Students must complete their activities outside normal instructional hours.

Activities are to take place after school, on weekends, during school holidays, or during students' designated lunch hours and "spares".

ROLES & RESPONSIBILITIES OF THE SCHOOL BOARD

The Northeastern Catholic District School Board is responsible for the implementation of community involvement activities through its secondary schools. A list of approved community involvement activities has been developed by the Board in conjunction with local school councils, the Special Education Advisory Committee, and the Board's insurer. This list is included in this information package, along with a list of activities that the Board and the Ministry of Education has stated are ineligible.

The Board will not approve student participation in any activities outlined on either the Board or Ministry ineligible list.

ROLES & RESPONSIBILITIES OF SECONDARY SCHOOL PRINCIPALS

Principals are required to provide information about the community involvement requirement to parents, students, and community sponsors. Principals are also required to provide students with the information and forms they will need to complete the community involvement requirement, including the Board's list of approved activities from which to choose. Based on the documentation submitted, the principal will decide whether the student has met the community involvement requirement.

Once approved by the principal, completion of the community involvement requirement is recorded on the student's official transcript.

ROLES AND RESPONSIBILITIES OF PARENTS

Parents are expected to encourage and support their child's developing awareness of Christian and civic responsibility. Parents should assist their child in the selection of their community involvement activities.

Parents are also encouraged to communicate with the community sponsor and the school principal if they have any questions or concerns.

Parents must authorize all Community Involvement hours if the student is under the age of eighteen years.

ROLES AND RESPONSIBILITIES OF STUDENTS

In consultation with their parents, students will select activities from the Board's list of eligible activities. If the activity is not on the Board's list of approved activities, the student must obtain written approval from the principal before beginning the activity. Students may not choose activities that are specified on the Ministry's or Board's lists of ineligible activities.

As part of their engagement in Community Involvement and Christian Service activities, students will participate in planning appropriate activities to set goals for completion. This information will be recorded on the Planning for Community Involvement and Christian Service form. This form must be signed by the student (and by a parent if the student is under eighteen years of age).

Students are responsible for planning, tracking, and documenting all Community Involvement and Christian Service activities. Students may use the online program Hour Republic or the print version of the Completion of Community Involvement and Christian Service form.

At all times, all students are expected to complete service activities in a manner consistent with the Northeastern Catholic District School Board's gospel values.

As ambassadors of their school and the NCDSB, students are expected to:

- show respect for their sponsors and their workplaces;*
- be punctual;*
- dress appropriately and be well groomed;*
- display good manners;*
- listen and follow instructions;*
- seek clarification of instructions when in doubt;*
- enact the ability to maintain confidentiality.*

ROLES AND RESPONSIBILITIES OF SPONSORS IN THE COMMUNITY

One of the purposes of the community involvement requirement is to develop strong ties between the students and their community, fostering valuable and long-term relationships. It is crucial that students are able to fulfil their community involvement requirement in a safe environment.

The person overseeing the student's activity must verify the date(s) and the number of hours completed through the online program Hour Republic or on the printed Completion of Community Involvement and Christian Service form.

The NCDSB expects that all community sponsors will provide students with appropriate instructions and training, ensure safety precautions are in place, and supervise student volunteers.

INSURANCE

The Northeastern Catholic District School Board liability insurance protects students who are performing volunteer work for organizations while they are performing their required forty hours of community service.

Community sponsors are also protected by the Board's liability insurance for claims that arise out of our students' volunteer activities.

Community sponsors are responsible for ensuring that their liability insurance will protect them for their involvement in this program.

The NCDSB's insurance does not provide coverage for the negligence of the community sponsors. It also does not cover students beyond the 40 hour requirement.

Love has to be put into action, and that action is service.*

Tracking Community Involvement & Christian Service

Students are responsible for keeping track of their volunteer hours and submitting them for approval.

Students must provide the required documentation in order for a volunteer activity to count towards the Community Involvement & Christian Service graduation requirement.

Completed Community Involvement & Christian Service activities should be submitted via Hour Republic (online software to which students have direct access from their NCDSB eHUB accounts).

Students are encouraged to use the following tracking template for each volunteer activity they complete. It will ensure that they have all the information that needs to be inputted into Hour Republic.

NCDSB Community Involvement & Christian Service Tracking

Name of Organization:	
Supervisor (Contact Name):	
*Supervisor Signature: (See note below.)	
Contact email:	
Contact phone #:	
Start Date:	
Completion date:	
Total Hours volunteered:	
Brief description of Volunteer Activity:	

*A supervisor's signature is not required as long as the student submits their hours via Hour Republic.

In rare instances (e.g. activity supervisor does not have email access), submission via Hour Republic may not be possible. In such circumstances, students must obtain the signature of person who supervised them during the volunteer activity.

The student would then submit this completed page to the Student Services / Guidance secretary.
