Catholic Schools Prepare for Start of New School Year

August 28, 2019

The Northeastern Catholic District School Board would like to welcome our students, their families, and all of our staff back to school. The 2019-2020 school year is starting on Wednesday, September 4th for our students.

The upcoming year will provide all members of the NCDSB community with a wide range of learning experiences and opportunities. Our learning spaces are welcoming and inclusive, and our learners have access to modern resources to support their overall development. Our staff is highly committed and dedicated to Catholic Education, and work collaboratively with all of our partners to ensure that our students experience high-quality, Catholic Education. The NCDSB is committed to responsible stewardship of our God-given gifts, building and sustaining innovative programs and services, and nurturing a culture of learning by investing in ourselves and each other.

Tricia Stefanic Weltz, Director of Education, commented “This is always an exciting time of year for our students and staff. As another school year begins, we look forward to living out our mission of learning together, striving for excellence, and always being in service to God and each other. By living out these things by our words and actions, we are truly achieving our vision of faithful and thoughtful learners, working together to transform the world.”
