Catholic Education Week Celebrated May 5 to 10

April 30, 2019

The Northeastern Catholic District School Board students and staff will be celebrating Catholic Education Week (CEW) starting Sunday, May 5th to Friday, May 10th. The theme for this year's Catholic Education Week is *Living as Joyful Disciples*.

Tricia Stefanic Weltz, Director of Education commented “During the week of May 5-10, 2019, our students and staff will engage in activities and prayerful thanksgiving for the gift of Catholic Education. As noted in our Multi-Year Strategic Plan, we believe that Catholic faith traditions and teachings must permeate all aspects of our daily activities. We will strive to sustain strong home, school, and parish relationships that will enhance the faith journey of all members of our communities. During this week, we highlight, celebrate and communicate the unique nature of our Catholic school system and our learners.”

Many special school events and activities will be taking place during Catholic Education Week. We invite families, community partners and stakeholders to visit our schools during Catholic Education Week and experience for yourself the difference we are making.
