

One day.
One pair of shades.
One new future for
Canada's vision health!

Thursday, May 26th, 2011

Be part of something that makes a difference. Join thousands of Canadians from coast to coast on Shades of Fun day – and help give people with vision loss the confidence, skills and opportunities to fully participate in life.

Students from St. Jerome are invited to “slip on your favourite shades” at school and to protect your eyes from sun damage, in support of CNIB’s vital programs and services for blind and partially sighted Canadians.
