New School Naming Contest!

Parents and students from Sacred Heart School had the chance to vote on which school name they would prefer for the new school building that they will be moving to in September. During the Student Led Conference, which was held on November 16th, parents and students had a chance to vote for the new school name. The school collected 178 ballots. Below are the results of the votes that were completed and collected at Sacred Heart School. Based on your votes, St. Michael was the school name of choice from the school community. These votes will be sent to the Board and added to the votes collected from other school and community members. A big thank you to everyone who voted!
