O'Gorman High School Donates to Oncology Department

Today, Matthew Cole and Mike Buhler from O'Gorman High School presented the Timmins and District Hospital Oncology Department with a cheque for \$500. Lorna Green, Program Manager, ER/Dialysis accepted the donation on behalf of the Oncology Department.

The monies donated were the result of a "head-shaving" event from early April this year. Matthew and eleven other students and friends took their turns in the barber's chair and donations accumulated in the can set up in front of them.

The Timmins and District Hospital Oncology Department and the T&DH Foundation would like to thank Matthew and O'Gorman High School for their generosity. Efforts to provide state-of-the-art medical equipment to the patients of T&DH are ongoing, and we would like to encourage everyone in the District to follow the example set by them.

Working together, we will save lives.
