

**ST. PAT'S "PASSION OF POETRY" GROUP  
LAUNCHES ITS ANNUAL BOOK OF POETRY!**

We have chosen "Journeys" as title of this year's publication. It portrays the very essence of what a book becomes once cradled in the palms of its reader. It will take you to the far reaches of the world, introduce you to other cultures and lifestyles, and enable you powers and abilities you previously had not known. Each poem becomes a journey into the unknown, an adventure that captures your mind and opens it to the wonders that words can create and intrigue they weave. Sit back, open your mind, and let these talented students bring you along on their journeys of self discovery and ponder.
