

Home of the **CARDINALS!**

Welcome Back!!!

The students, parents and staff of Pope Francis Elementary School were excited to begin school this year at their new school! Staff began establishing routines and students are thrilled to meet new friends and get back to learning!

The new Year 1 students began on September 10th. They were welcomed by staff Mrs. Brumwell and Mr. Berthier, who presented these students with a Pope Francis Elementary School Cardinal shirt.

Father John took time out of his busy schedule to come and visit each classes with Mr. Berthier.

“Thanks for setting the stage for a great year. There is a wonderful, positive feeling working here at Pope Francis Elementary School!”
