Lots Going on in February

February is a month full of exciting activities for everyone. Be sure to refer to the calendar early and often. Here are some of the highlights in the weeks to come:

O'Gorman High School Course Selection

It's that time of year once again where our grade 8 students need to start planning for high school next year. There are presentations and information sessions planned for both parents and students throughout February. Please refer to the calendar for dates and times.

Winter Carnival

Our winter carnival this year will be on Thursday, February 2. Students will have the option to select one activity for the morning. A consent form was sent home last week. If you haven't sent it back please do so ASAP. In the afternoon there will be a students vs teachers hockey game from 12:30 to 1:30 at the Sportsplex. Everyone is welcome to come and watch.

Valentines Day

We will be celebrating Valentines day on Tuesday, February 14th. Student council will be selling candy grams from February 6th to the 10th for \$0.25 a piece.

Turn Around Day

February 6th is the mid point of the year and time for students to switch classes. This means that students who had industrial arts (shop) will now take family studies and vice versa. This also means the end of history and the beginning of geography classes. If you have any questions about this process please feel free to contact your child's teacher at your earliest convenience.

Virtue of the Month

Temperance (Self-Control) will be our virtue of the month. It is one of the four cardinal virtues and it is something that we have to work at to develop. We work on it so it can become a part of our character. It helps us to behave in moderation and to know when we have had enough of something.
