Report cards go home today!

Enjoy your summer vacation!

Lean on me

During Education Week, our grade 4 & 5 students wanted to share their anti-bullying message in a fun, yet important way. Mr. Dube and Mrs. Casonato used our class set of iPads to create this amazing lip-dub video. This project was not only a meaningful activity but was an amazing school community effort which sheds light on a very serious topic in a fun way. You can check out this video by going to www.ncdsb.on.ca/video Thank you to Mr. Dube and Mrs. Casonato for organizing this activity and for our entire school who embraced this project. You should be proud of all your hard work. Remember, we all have a part in eliminating bullying.

Cool Treats

Thank you for your support on May 25th when we sold popsicles and ice cream sandwiches as a fundraiser for Bishop Belleau School in Moosonee. We raised \$100.00. We will be selling cool treats again on Friday June 15th at lunch for .50 and \$1.00.

Weekly Communication Folders

Each Wednesday, we send home our weekly communication folder. There are important documents from the school, permission forms and/or completed work. Please ensure that you take time each Wednesday to review it's content and be sure to return it to school on Thursday with your child.

Snowbirds

Today, our Grade 3-6 students and staff will be heading to the Kapuskasing airport for a special activity and presentation by the Snowbirds. Students will be bused to the airport after lunch and will return before the end of the school day. There is an ariel show that evening at 5pm. The Snowbirds put on a spectacular show a few years ago when they were here. Residents are encouraged to take shuttle buses.

EQAO

Congratulations to our grade 3 and 6 students who completed this annual assessment.

The lost and found

Please encourage your child to check the lost and found this week. All items have been folded and are on display for children to see (by the gym).

Students have been reminded for the past week to check this area. All unclaimed items by Monday will be donated to local charity.
