## Helping Make Schools Safer

### *New Legislation Outlines Reporting Requirements*

Even one incident of bullying or harassment in school is one too many. Schools must be places where everyone feels welcome, safe and respected. The **Keeping Our Kids Safe at School Act** that came into effect February 1<sup>st</sup>, 2010, is the latest step in the strategy to help make Ontario's schools safer. It affects how all school boards handle incidents at school. This new law requires that all school staff report serious incidents that could lead to suspension or expulsion to their principal and that principals notify parents of victims when a student has been harmed. In addition, all staff who work directly with students must respond not only to serious incidents but also to inappropriate or disrespectful behaviour among students. This could include racist or sexist comments, graffiti or vandalism, behaviours and other activities that are unacceptable in Ontario schools. Students need a safe and positive learning and teaching environment to succeed at school. But it isn't just the school's responsibility to make that happen. All of us have a part to play in making and keeping schools safe. Ontario's Code of Conduct sets out clear standards for behaviour for everyone involved in the school system. This includes students, parents/guardians, teachers, other staff members, volunteers and community partners. The code applies on school property, on school buses, at school-authorized events or activities or in other circumstances that could have an impact on the school climate.

To find out more about Ontario's strategy to help make schools safer check out the Safe School section at:

Information on the code of conduct, bullying prevention and other programs designed to help build a positive school climate are also posted.

## Lent

Lent is the penitential period of 40 days from Ash Wednesday to Easter. Lent lasts for 40 days because according to biblical accounts, Jesus went into the wilderness for 40 days of fasting, meditation and reflection before beginning his ministry. Traditional Christian observances of Lent include fasting and penitence. Ash Wednesday and Good Friday are required to be days of fast and abstinence from meat. That is why we offer meatless pizza on the 17<sup>th</sup> and we also encourage the students and staff not to eat meat. On Wednesday, February 17<sup>th</sup>, you are invited to come to the school to attend our Ash Wednesday Service at 10:45 a.m. in the gym where we say goodbye to the "Alleluia" and have the blessing and distribution of ashes.
