

O’Gorman Intermediate Catholic School

“You Are the Light of the World”

December 1, 2009

Report Cards

Report cards for the first term will be sent home on Wednesday, December 3rd. Parent- Teacher interviews are scheduled for the evening of December 4th from 6:00 to 8:00 p.m. and the morning of December 5th from 9:00 to 12:00. If you are unavailable to attend, you are encouraged to contact your child’s teacher (s) at your earliest convenience.

It’s Beginning to Look a lot Like Christmas

Welcome to the Holiday Season. It is so hard to believe that the month of December is here. Our first term has been an exciting and successful time, and we hope that you and your children have enjoyed these first few months of the school year. The December calendar is attached to this letter. I would like to take this opportunity to highlight some of the festive and fun activities we have planned for the Christmas Season. We hope to see you in and around our school this month!

- *Santa Claus Letter Writing with St. Paul, Sacred Heart and St. Joseph*
- *Lord’s Kitchen Lunch on December 18 at 12:00*
- *Mass on December 18 at 1:00*
- *Christmas Concert on December 21 at 9:15*
- *Activity Day on December 22*

More information about some of these events will be shared at a later date. Have a great holiday season and remember to keep Jesus in your hearts during this time of the year.

Merry Christmas!

Christmas School Lunch

One of our annual traditions at OICS is to celebrate Christmas together by sharing a meal at the Lord’s Kitchen. We will be walking up on Friday, December 18 for lunch at 12:00. The meal includes pasta, salad, drink and dessert and will cost each student \$5.00. More information will be shared closer to the date.

School Mass

In January & February 1, Masses will be at St. Joseph Church located on Ross Avenue. Fr. Pat Lafleur will continue to celebrate Mass with us as a school community.

O’Gorman High School

On Thursday, December 4th during parent-teacher interviews representatives from O’Gorman High School will be on site to address any questions regarding programs, course calendar, student services, and the transition to high school.

Science is Happening!

OICS sent 3 teams to this year’s Science Olympics on November 27th and it was a huge success! Mr. Schultz has also started working with students in the robotics club to prepare them for various school and regional challenges. Keep up the great work!
