

# Good News from the Panthers

We would like to invite all our parents to our Holy Thursday Stations of the Cross service which will begin at 12:50 p.m. tomorrow. Should you be able to attend, please go to your child's class and you can be part of our procession as we follow 'Jesus' from class to class, ending in the gym.

A huge **CONGRATULATIONS** goes out to our Science Fair team as every project received either a gold or silver medal. Silver medal winners were: Sydney Hartley and Fereshte Farrakophey, Evan Kentish-Stack, Michael Neal and Willem Verbeek, Aidan Buhler and Ireland Power, and William Santos. Our gold medal winners were: Justin Ryyppo, Lucas Dolanjski, Teanna Klomp and Maxime Lamarche, Braydon Barker, Spencer Lahaie, Bobby Ferguson and Emma Groulx. A special acknowledgement goes toward Lucas Dolanjski who received the Nicholas Plouffe Memorial Award for Excellence for his project.

The Northeastern Catholic District School Board asked all students throughout our board to participate in an Easter card colouring contest. Three winning cards were selected to be the Easter card for the entire board. We are very happy to announce that the card you received today was created by Brittany Lacourse-Luckett, one of our grade 5 students. Brittany worked very hard on her drawing and it shows! Congratulations Brittany!

As you may have heard, we had our second lock-down drill last Thursday. This time we invited the Timmins Police in to go through the school during the lock-down to help determine if there are improvements we need to make. We would like you to know that the students did very well, as did our staff, at following all procedures and we will be making any necessary improvements immediately.

May God bless you this Easter and we hope that you enjoy this time with your family.
