

O'Gorman Intermediate Catholic School

“You Are the Light of the World”

March 2010

March Already!

Can you believe that it's March already. Time is flying by and before you know it June will be upon us. If your child has not already completed their course selection please do so as soon as possible and if you missed the parent orientation night and would like to visit O'Gorman High School please contact them at your earliest convenience.

Spaghetti Supper & Activity Night

On Thursday, April 22, 2010 we will be hosting a spaghetti supper and activity night at the school. This is our next major fundraising activity and a chance for the students to earn money for their Toronto trip. **Tickets are now on sale.** Besides dinner, there will be a number of events planned throughout the night to keep you busy either before or after supper. Activities include draws, sport competitions, video games and even a chance to throw a pie at the principal and teachers.

We are looking for donations from parents & friends for our silent auction room. Any and all donations would be appreciated. We also are looking for parent volunteers to help set-up, serve supper, and clean-up afterwards. If you can spare 1 hour of your time to help support this event please contact the school at your earliest convenience. **Support is needed and appreciated.**

Finally, there will also be a number of community agencies set-up to provide parents with information or the opportunity to register for summer activities.

Enjoy you March break. Spend some time with family and friends.

Report Cards are Coming

The 2nd term **report cards will be sent home on Wednesday, March 31st.** Please review the comments and marks with your child and set goals for them to strive for 3rd term. A letter will be going home with the report cards with some students if a meeting is required. If you have any concerns or wish to see the classroom teacher, please contact the school and make an appointment at your earliest convenience.

Olympic Day & Winter Carnival

We are having an Olympic Activity Day with various outdoor activities on Friday, February 26th and a Winter Carnival on Thursday, March 11 that will also include various winter sports. A letter will be sent home regarding the winter Carnival ASAP and consent forms will need to be signed to allow student participation. **Please ensure that your child dresses warmly for both events.**

Science Fair

Our school science fair is on Tuesday, March 9 and is open to the public from 12:40 - 2:40 p.m. for family and friends. Winners from each class will be chosen to move on to the gymnasium for this event. The winners from OICS will move on to the Regional Science Fair at Theriault High School in April.
