Monthly Virtue: Temperance

Temperance is a virtue that we constantly work to develop as part of our character. Temperance helps us:

- † To be honest with who we are.
- † To use the power to stand up for what is right.
- † To behave in moderation... not to do too much of something.
- † To balance the use of goods at our disposal.
- † To control our desires, our actions and our behaviours.

Temperance goes with balance, humility and moderation.

God wants us to do what we know and feel is right.
