Public Speaking A Success

March Already!

Can you believe that it's March already. February was extremely busy with school speeches, ski days, activities and grade 9 orientation. Time just seems to be flying by and before you know it June will be upon us. If your child hasn't already completed their course selection please do so as soon as possible and if you missed the parent orientation night and would like to visit O'Gorman High School please contact them at your earliest convenience.

O'Gorman Intermediate Catholic School will be having a grade 6 orientation night for parents in April. Dates and times have not been determined but please let your friends know that we invite all new comers to attend this session.

Hope to see you out at an event in the near future!

Congratulations to all the students who competed in the public speaking contest in February. Special congratulations is extended to Samantha Hutteri who finished in first place at OICS. Samantha will be moving on to the local competition at the Canadian Legion in March. Well done and good luck Samantha!

Boys Basketball

Congratulations to both boys basketball teams who compete this year in the league and in several tournaments. Both coaches agreed that their efforts have been outstanding and that they have all improved tremendously throughout the season. Special congratulations go out to Team A for winning all but 1 game this year and for winning the end of the season city tournament on February 25th.

Congratulations Boys!
