

# THE PANTHERS' PRIDE

SACRED HEART SCHOOL - NEWSLETTER

April 2011

## VIRTUE OF THE MONTH

The virtue we are working towards during the month of April is **JUSTICE**. Examples of how we want to show justice are:

- ♥ Doing what is right and standing up for what we know God would want
- ♥ Knowing that it is not easy to do the right thing
- ♥ Realizing that when we complain about how unfair life is that there are many other people around us and in the world that suffer much more than we do
- ♥ Treat others as fairly as we want to be treated
- ♥ Knowing our actions in class promote a good learning environment for everyone

## RAISING MONEY FOR THE PEOPLE IN JAPAN

We feel it is important to support those who are in need and, right now, the people of Japan need our support. In an effort to raise money to try and help these people

through this horrible disaster, we are holding three separate fund-raising days. We would like to invite you to come to our final fund-raising day as students will be able to purchase whip cream pies to throw at the participating staff members. Come on by and throw a pie!!!! Thank you in advance for your support.

## LOCKDOWN DRILL

We would like to inform you that we will be conducting our second, and final, lockdown drill for this school year sometime this month. Unlike the last drill, students and parents will not be made aware of the specific date and time. It is important that the children,

especially those in the older grades, realize that the lockdown drill is very important and it needs to be treated seriously. Our primary concern is every child's safety and conducting these drills is an important step in making sure everyone is safe.

## WHAT WE ARE WORKING ON AT SACRED HEART SCHOOL

As we have mentioned before, we are working towards instilling the belief and practice that we must be the best we can be. We

firmly believe we need to start taking care of the little things to make our school community better. At Sacred Heart School we expect the following: saying please and thank you, putting your own materials away without having someone else telling you to do so, leaving a game you don't want to play rather than starting a conflict, picking up something you see on the floor, smiling at others, laughing with others and not at others, being quiet when we walk around the school so that we don't disturb other students' learning, admitting when we make a mistake, etc. We need to show the HEART in Sacred Heart School.

## NEW SLOGAN CONTEST

Keeping with what we are working on at Sacred Heart School. We would like a new catch phrase to express our belief that everyone at Sacred Heart School must do our best work and be the best person we can be and nothing else will do. The challenge will be presented to the students very shortly. Should we receive a slogan that best explains our goal in a short and catchy way, we plan to print the "winning" slogan on our agendas, use it on our letterhead, and in promotional items for the following school year.
