September 2016 Newsletter

Welcome back!

Let me begin by expressing how blessed I feel to be the principal of Sacred Heart School! I would like to take this opportunity to welcome those families who are new to our school and those families who have children previously enrolled at our school. I hope that you will take a look at our school site regularly, and sign up for our email service in which you will receive monthly newsletters and other important information as needed. Sacred Heart School is rich in heritage and we look forward to celebrating our 81st anniversary during the 2016-17 school year.

The entire staff considers it a privilege to educate your children in our Catholic School system. As such, we know that your support as parents is essential to your child's success. For the benefit of your child we need to work collaboratively together.

We are very fortunate to work with the staff of Sacred Heart Parish. This relationship allows our students to connect directly with the church and our faith. We are looking forward to working under the guidance and direction of Father John Lemire, as our school priest. Our students at Sacred Heart School will have many opportunities to realize their full potential to transform God's world. Our spiritual theme for this year is "By Our Works, We Show Our Faith," (James 2: 16 - 18).

Our goal for all of our students at Sacred Heart is to ensure the highest levels of achievement for our students (academically, spiritually, socially and physically) by working and learning together. We look forward to an exciting year at Sacred Heart School enriching our partnership with the church, the home and the community. Please do not hesitate to contact the school should you have any questions or concerns throughout the school year.

Yours in faith and education,

Mr. D. Berthier,
Principal

Monthly Virtue: Gratitude

The virtue of gratitude has been called a state of mind and a way of life. Gratitude shapes our entire outlook on life. It is the channel through which we become aware of the sacred, and the many blessings of our lives. Gratitude can be applied to all of our daily activities. It links us to the divine and to every other part of the creation.

During the month of September, how will you practice the virtue of gratitude?

Student Information Forms

Please review the form, make any necessary changes directly on the form and return it to school with your child by **September 9th**. It is VERY important that we have updated contact information as well as the completed section labelled "Consent Information". If you have not received this form by the end of the second week of September, inform the office and we will send a form home with your child.

Medical Concerns

Should your child have a severe allergy, a serious medical condition or require medication to be administered at school (even if occasionally), the appropriate information and Dispensation of Medication forms must be completed according to NCDSB policy. Please contact the school office at your earliest convenience to complete the necessary forms.

Welcome Night:

Please keep the evening of Wednesday, September 14th, 6:00-7:00 p.m. available for our Parent Welcome Night. This evening provides an opportunity for parents to meet the staff of the school and to see their child's classroom. The evening will begin at 6:00 p.m. in the gymnasium. After a short general session, parents will proceed to their child's classroom. We look forward to seeing parents on this special occasion.

Catholic School Parent Council

The time has come to choose the parent/guardian representatives for the Catholic School Council at Sacred Heart School. The Catholic School Council provides parents with the opportunity to become more involved in the life of the school. It allows you to give feedback to the school, present your views or ideas to improve the students' experience at school and involves you in the discussion of educational issues.

Student Attendance

The Education Act states that students must attend school regularly and be punctual. It is imperative for the safety of students that parents please call the school if your child is absent.

If a child has not arrived at school and a phone call or a note has not been received, the secretary will attempt to alert parents by telephone at home or at your place of employment, if necessary.

When a pupil returns to school, he/she should find out what work was missed and complete it within a reasonable amount of time, as decided by the teacher. Extended periods of absence for reasons other than health, require permission of the principal.

Punctuality

All students are expected to be punctual and to adhere to the school hours. They should quickly be seated and ready for morning activities. Attendance is taken daily. Students who are late for a valid reason must bring a note. They are to report to the office where their time of arrival and reason for being late will be recorded at the office. They will be issued a late slip, which will be necessary for admission to class.

Persistent tardiness and absences may result in a discussion, consultation or other consequence perhaps involving parents/guardians, school board attendance counsellor, etc.

Visitors to the school:

One of our greatest concerns throughout the school year is the safety and security of your children while at school. School staff should always know who is on school premises.

All visitors to the school (parents included) are asked to report to the office upon entering the school and **not proceed** to your child's classroom. When picking up your child during school hours, please report to the office to sign your child out. Please wait in the front foyer after signing your child out and do not go to your child's classroom.

Picture Day:

Picture Day is tentatively scheduled for October 19th. The picture package information will be sent home as soon as the school gets it.

Weekly Communication Folders

We will once again be using the weekly communication folder system so that critical information and newsletters make it home. Each Wednesday, your child's teacher will send home information from the office, permission forms, newsletters, community flyers, tests to sign, completed work, etc. Simply complete your part of the tracker, sign items which need to be returned to school, remove all other items and send the communication folder back to school on Thursday morning. As the year progresses, we hope to decrease the amount of paper sent home; we are planning to have information available on our school website. It can be accessed by going to www.ncdsb.on.ca – click on "our Catholic Schools", then "Sacred Heart – Timmins". You can also find us on facebook. Be sure to check your child's bag each Wednesday. We are also in the process of having a school twitter account. Stay tuned for more details.

Closing Message:
