SACRED HEART SCHOOL - NEWSLETTER

JANUARY 2015

HAPPY NEW YEAR!!

We wish you all the very best in the new year. We would like to extend our sincere appreciation for the generosity you showed during our Christmas Sharing Project. Thank you all so much. We made many families happy over Christmas and we pray that God blesses these families during the upcoming year.

JUNIOR KINDERGARTEN REGISTRATION

On Tuesday, January 27th from 9:00 a.m. to 4:00 p.m., we will be accepting registrations for children born in 2011. The best type of promotion always comes from within, so if you know anyone who is considering registering their child in Junior Kindergarten, please inform them of our registration date and times. Thank you for continuing to support Sacred Heart School. For registration, please bring a copy of your child's birth certificate, immunization record, and baptismal certificate. Should you need to register your child but you are unable to attend on that day, you may always register at the school any time or complete an application for registration online on the NCDSB website (www.ncdsb.on.ca). Should you choose to complete an application for registration online, we would still require the necessary formal documentation listed above and the formal registration forms would need to be completed but it does give us the opportunity to know your interest to register your child in the school.

VIRTUE OF THE MONTH

The virtue we are working towards during the month of January is COURAGE. Examples of how we want to show courage are:

♥ Knowing that sometimes doing the right thing is hard but with courage we can do the right thing. The easy way is not always the right way.

- ♥ Stand up respectfully when we see something wrong being done.
- ♥ When someone is treating someone poorly, try not to watch what is going on. Speak up and stop it.
- ♥ We know what God expects of us. Have the courage to try and live up to it.
- ♥ Followers of Christ remember the Golden Rule and treat others the way they would like to be treated.

BUG AND A WISH UPDATE

Earlier this year, we informed you about a program we call "bug and a wish". You were told that the goal of the "bug and a wish" program is to teach students how to resolve conflicts in a positive way. Part of the program requires students to report when they are being 'bugged' and how they are being 'bugged'. We are happy to announce that we only had two "bug and a wish" incidences reported during the month of December. We are happy to see that the students are beginning to deal with conflicts in a positive way. Let's hope we see no issues in January!

FAMILY LITERACY DAY

Family Literacy day is on January 27th. We would like to invite all students to dress as their favourite character from a book. We will never forget the day Miss Salvati dressed as Scaredy Squirrel (my personal favourite).

D.A.R.E. GRADUATION

Our grade six class have completed their Drug Awareness and Resistance Education program and will participate in the D.A.R.E. Graduation on Monday, January 19th at O'Gorman Intermediate Catholic School at 9:30 a.m. We will be in the gym. Parents are definitely welcome! We congratulate our students on the completion of this very important program.
