Advent

As we enter the season of Advent, we will be gathering each Monday morning to prepare our hearts for the birth of Jesus. It is rather suitable that this month's virtue is LOVE. Many of us are already engaging in the mad rush to purchase gifts to put under the tree on December 25th, but we are also mindful of the fact that love is not about material things. How can we practice love/charity and generosity in our community without necessarily giving material things? This month at St. Patrick School, we will continue to demonstrate the virtue of love by living our faith. We encourage all students to think about how they can help our community during this special time of year.

Workshops for parents: It is disappointing that we have had to cancel 2 workshops for parents over the past month dealing with very relevant topics including: bullying, mental health, suicide, cyberbullying and the law due to lack of interest. We hope for more participation in 2016.
