This was a very successful school fundraiser which raised \$1396.65 which will be used to make improvements to our school.

I am thrilled to announce that the Catholic School Council fundraiser brought in \$3744.30 which will be used in order to continue to make improvements to our school (technology and school yard). Thank you to our Catholic School Council who helped organize, count money, cook hotdogs and hand out prizes.

Arts in the Park Day

On June 16th staff and students (JK-Grade 6) spent the day at Riverside park. This amazing learning opportunity was thanks to a grant from the NCDSB school board for outdoor education. We paired outdoor education with the arts: visual arts and music. Students participated in four workshops during the day, including drumming with Mrs. Lanthier and painting fence posts with Mrs. Boucher. An installation date for our picket fence at Riverside park has not yet been determined, but I will share this exciting news as soon as it is confirmed.

Please make sure you have your child check the lost and found this week. Any items still here on June 25th will be boxed up and donated to charity.
