Message from the Principal

Dear Parents and Guardians:
Now that the break up and the risk of flooding is over, the way for spring is paved! Here at school, we have wrapped up a very busy and successful Catholic Education week, celebrating the theme "Serving in the Love of Christ". Students participated in a number of activities including visiting and singing for the elders, Mother's Day tea, Catholic Education Week poster contest, and saying special prayers in the morning and afternoon read by students. Staff and students were also given their own BBS T-shirts with a school logo that was made by one of our students, Reine Peruelo. We thank the Moosonee Lions Club and the Ontario English Catholic Teachers Association for their generous donations, which made the T-shirts possible.

Events coming up this month and in June, include a field trip for grade 7/8 students to O'Gor-

man High School to attend the Mooselegs2 student workshop on anti-bullying, self-esteem, and team work. Also, Queen's University science students will visit us on June 11th to present various science workshops in each of our classes. We will also be hosting a visit from O'Gorman High School drama students who will be putting on a play for our students in the basement of the Church. Parents are invited to watch the show, and a specific time will be sent home next week in a circular. Our virtue of the month for June is Hope, and students will be learning about the importance of hope in our world and our Faith.

Our final year end Mass will be held on Monday, June 23rd at 11:00 a.m. and all are invited to attend. A reminder that our Gr. 8 graduation will take place on Friday, June 13th at 6:00pm. Our grade 8

graduation trip to Montreal and Quebec is scheduled for June 16 to June 20, and we are anxiously awaiting our travel grant to make the trip possible.

I wish everyone a happy and safe spring, with good hunting, fishing, and lots of loving family time.

"With God We Make A Difference"

Sincerely,

Heath Hough
