

St. Paul All Stars

St. Paul - Newsletter

April 1, 2017

The calendar for April can be found with this newsletter. It outlines the activities we have planned for this month. Have a safe and restful Easter weekend. Keep in mind and be thankful that our Lord gave His life for us so that we could be saved.

Mrs. Pichette &
Mrs. Raymond

FOCUS ON FAITH

With Easter soon upon us, remind the children how Jesus suffered on the cross to have our sins forgiven. Rejoice – the Lord has risen! Please review our virtue of the month – Justice - and help model it in your daily lives for the children.

EARTH DAY

The students will be participating in various Earth Day Activities throughout the month of April. Please join us during our many endeavours in making the world a cleaner, healthier environment for our children and those of the future.

SCHOOL IMPROVEMENT PLANNING

One of our goals for School improvement this year is for students to “Justify or Explain” their thinking, particularly in Mathematics. You can help at home by asking them questions such as, “How do you know that?” or “Show me how you got that answer” and asking them to show you more than one strategy for getting an answer.

AWESOME NEWS

Emily Lian was chosen as a “Student who Makes a Difference.” She was unable to accept her award as she was in Asia at the time, however, we are very proud of her! Way to go Emily!

HEALTHY SNACKS

The Northern Fruits and Vegetables program will be starting up this month and we will continue with our other Healthy eating initiatives.

TOYS AND ELECTRONICS

We have been spending an inordinate amount of time at the office settling disputes about toys. Please have your child leave any toys they love at home as we will not be responsible for lost items. We would also like to remind everyone that cell phones and electronics are also prohibited.
