November 2025 - Charity Love in Action

This month, we invite our schools to join together in a Kindness Campaign that puts love into action in classrooms, hallways, and our wider communities. Charity is more than giving—it is a way of living that shows compassion, empathy, and respect for the dignity of every person.

Everyone is encouraged to participate by recognizing others through intentional acts of kindness—whether it's a smile, a helping hand, a note of encouragement, or a larger class or school initiative. These simple gestures remind us that no act of love is ever too small, and together, they create ripples of belonging that strengthen our Catholic community.
