OHS Students Raise Funds for Local Charity & Win High School Challenge

Timmins, June 16, 2010: O'Gorman High School students participated in this year's Big Bike for the Heart and Stroke Foundation. This group of 22 students, from all grade levels, raised \$2,565.00 for the charity; raising the most money of all local area high schools.

By raising the most funds of any high school, OHS won the High School Challenge. The OHS students also walked away with the High School Spirit Award for having the best school spirit during their time on the Big Bike. One of the secret weapons utilized to create the best spirit

was bringing along a bag-piper on the Big Bike.

Andrew Swartz, OHS Teacher commented "It was great to see all of the students work hard and raise so much money for the Heart & Strike Foundation. Our students had fun while on the Big Bike and O'Gorman's spirit of giving back to our community and being proud of our school shone through."
