

PROVISIONS OF HEALTH SUPPORT SERVICES IN SCHOOLS

POLICY #: F-15

AUTHORITY: 99-085/00-392/13-35

POLICY STATEMENT

The Northeastern Catholic District School Board (NCDSB) is committed to promoting the school attendance of students including accommodating those with unique health needs. We encourage and promote the concept and principle of healthy lifestyle practices. Recognizing the right of students to a Catholic education, the NCDSB shall respond to individual health support needs of our students while honouring our faith traditions.

POLICY REGULATIONS

The NCDSB believes that the ongoing provision of relevant health information and care needs of students are primarily the responsibility of the parents/guardians.

The NCDSB will protect and promote the health, safety, social, and spiritual well-being of its students while in the care of the Board.

The NCDSB shall comply with all appropriate legislation pertaining to student health care.

Administrative procedures will be developed to ensure consistency in the delivery of health support services in the school setting in accordance with the Education Act and Program Policy Memorandum.
