Make a shadow play and present it to your family using a flashlight to project your hands on a wall in a dark room.

Make a set of worry stones for yourself, a family member, or friend. Decorate with messages of hope, faith and love.

Make up a dance to go with the song. When ready, perform the dance for family members.

Write a short poem about Hope. Where can it be found?

## **Physical Education**

If you have been doing the exercises over the last two weeks, add crunches and jumping jacks to the mix now. Continue to log your progress for all 6 exercises now.

Using a deck of cards (numbered cards only), two people lay down a card and then multiply the numbers listed. The winner chooses the exercise for the other person to do.

“Around the World”: Take several shots at a target (i.e. basketball net) while moving from one side of a semi-circle to the other. Every time you miss, you must restart.
