[How to Make and Ice Cream Cone](#)

Use a recycled water or juice bottle to make a shaker. Fill the plastic bottle with corn kernels, beans, or tiny rocks. Decorate your instrument and play some music.

As a family, use recycled paper to make paper airplanes. Design your airplane using a variety of shape and colour. Take your airplanes outside and see whose design travels the furthest.

Make your own sheep bank with a toilet paper or paper towel roll. Don't forget to decorate it. Write the following verse on the sheep - Rejoice with me, I have found my lost sheep. Luke 15-6

Discuss with a family member. - Who is the lost sheep? Who is our Good Shepherd?

Physical Education

Have an outdoor game of "Tic-tac-toe" with chalk. One person at a time runs from a line and marks their "X" or "O" and runs back, tagging their competitor.

Find yourself a soccer ball (or any ball you can find). Play pass with the inside of your foot. Find a target and safely kick the ball towards it.

Take turns flipping a coin with a partner. If a person guesses right, the other must do an exercise. If you guess wrong, you must do one.
