Art

Use a ruler or flat edge to make lines to fill an entire page in no particular order. In the end you should be left with a variety of shapes to colour. Use shading to add emphasis as desired.

Google a famous tower to recreate using recycled materials. Challenge a friend or family member to do the same. Have a third party vote on who has the best design.

Go for a walk in a wooded area and collect pine needles, pine cones, bark, leaves, stones and other materials. Find a flat surface and carefully place the items to make a picture.

High-jump: Wrap a piece of tape around the tip of your middle finger (sticky side out). Jump up and give a light high-five to an outside wall. The piece of tape should stick. Measure your "vertical".

Music and Move: Choose 3 exercises. Choose a lyric from a song. Play the song and every time you hear the lyric, do one of your exercises (alternating them each time).
