Primary Students (Grades 1 - 3)

Art

Use the link provided to learn how to draw Mr. Sun. [Draw Mr. Sun](#)

As a family, take a look on the internet for famous towers. Choose a tower to replicate using recycled materials in and around the house. Compare your tower to the original.

Make your own bubbles. In a large bowl, mix four cups warm water, ½ cup dawn, ½ cup sugar and mix well. Use straws, a pipe cleaner or twist tie to make a bubble blower.

Catholic Faith

Watch - Joseph and His Coat (Genesis 37)

<https://www.youtube.com/watch?v=VnlqKPIZQzI>

Please answer the following question after watching the video. How does the coat remind us of the truth that God is watching over us no matter where we are or what is happening in our lives?

Draw and colour a picture of the coat Joseph is wearing in the video. Make sure to use different colours and show your work to your family.

Physical Education

High-jump: Wrap a piece of masking tape around the tip of your middle finger (sticky side out). Jump straight up and give a light high-five to an outside wall. The piece of tape should stick.

Play a game of "Simon Says". Take turns being Simon.

Using outdoor chalk or any safe items you can think of and create your own game.

Week of June 8 to 12, 2020
