UPLOAD OF ONLINE TRANSPORTATION SCHEDULES

September 2, 2020

Parents, Guardians, Students, and Schools,

The transportation schedules for school bus riders and school bus operators are now available at <https://geoquery.netribus.ca>. Please note that you will need to have created a user account and attached your student to your account in order to view the student transportation schedule.

We also encourage users to check back weekly during the first few weeks of school as there are many changes that occur during a start-up period. A reminder that we have moved to a weekly upload, so checking over the weekend will display the changes that are in effect for **Monday afternoon**.

If you need a change made to your transportation schedule due to an address change, please contact your school, as all changes need to be authorized through the school.

Sincerely,

Ryan Hartling
Supervisor of Transportation
