Timiskaming Child Care Selected as Child Care Service Provider at Holy Family School

April 4, 2018

The Northeastern Catholic District School Board is pleased to announce that Timiskaming Child Care has been selected as the child care service provider at Holy Family School, beginning in July 2018.

Timiskaming Child Care is a highly respected organization which offers a variety of programs and services across the district. Their commitment to high quality programming such as licensed home child care, licensed child care centres, Early Learning Programs, and Before and After School Programs offer children and their families opportunities for optimal growth and development in the early years.

Over the next few months, we will be working very closely with Timiskaming Child Care's Executive Director, Sylvain Guilbeault and his team, to develop an appropriate transition plan that ensures continuous access and improvements to programs and services in the Englehart community.

Should you wish to secure a spot for your child in either the child care program for the summer or would like to register for the Before and After School program for the 2018-2019 school year, you are asked to contact Monique Skinner-Ritchie at 705-672-2100 at extension 21 or 0. For more information about Timiskaming Child Care's programs and services, please visit www.timiskamingchildcare.ca.

We welcome Timiskaming Child Care to the NCDSB and look forward to working together in serving the Englehart community.
