DEFINITIONS

PROCEDURES

1.0 TRAVEL

- 1.1 All staff travel shall be subject to the approval of their appropriate supervisor in accordance with the request processes and subject to the availability of funds.
- 1.2 Travel approval authorities shall be:
 - i) Within Ontario: Immediate Supervisor
 - ii) Within Canada: Director of Education
 - iii) Outside of Canada: Director of Education
- 1.3 In all cases, the most economical means of transportation should be used. This will include economy air fare, train, rental vehicles or personal vehicles. When the most economical means is not chosen, reimbursement will be limited to the standard economic cost. The most economical cost will be reviewed and amended by the

Superintendent of Business when rates significantly change for an extended period of time. Generally, the rates will be set at the beginning of a school year.

For example: If the standard round trip flight from Timmins to Toronto is \$350 and the employee decides to drive, the round trip kilometer reimbursement (709 km x2 x \$0.61) would be \$864.98. The reimbursement would be limited to \$350: the most economical means.

- 1.4 The use of personal vehicles for Board related travel is subject to the provisions of NCDSB Policy P-17 *Employee Travel for Board Business*. Authorized travel in this regard shall be reimbursed at a rate of \$0.61 per kilometer. The use of the Board's contracted car rental services should always be considered as a first option for travel.
- 1.5 Mileage paid for the use of a personal automobile is deemed to cover all costs of operation including insurance, depreciation, gas, oil, repairs, etc.
- 1.6 Individuals will be reimbursed for the use of their personal automobile provided:
 - i) it is the most economical method of travel;
 - ii) the travel is authorized by a designated authority for Board business;
 - iii) the individual carries a minimum of public liability and personal damages insurance coverage of \$1 million;
 - iv) whenever possible, two or more individuals travelling to the same destination use one vehicle.
- 1.7 Individuals must satisfy themselves whether their motor vehicle insurance coverage should include business use of their vehicles. Subject to the provisions of any applicable collective agreement, this additional insurance is at the cost of the individual. The NCDSB assumes no financial responsibility for privately owned vehicles other than paying for kilometeric rate when used for Board business. The NCDSB is not responsible for reimbursing deductible amounts related to insurance coverage. Individuals driving a personal vehicle on Board business cannot make claims to the Board for damages as a result of a collision or breakdown.
- 1.8 Reimbursement is provided for necessary and reasonable expenditure on parking, as well as tolls for bridges, ferries and highways, when driving on Board business.
- 1.9 Parking costs incurred in the office area as part of a regular commute to work, NCDSB training, meetings, and/or events will not be reimbursed.
- 1.10 There is no reimbursement for traffic or parking violations.
- 1.11 Taxi costs incurred for out-of-town travel will be reimbursed with receipts. Hotel/airport shuttles should be used wherever possible.

- 1.12 A 15% gratuity on a taxi fare will be reimbursed with documentation to support the expense (original receipt).
- 1.13 Expenses for overnight accommodation for approved travel will be reimbursed with receipts. There will be no reimbursement for hotel suites or executive floors. Reimbursement will be made for single accommodation in a standard room. The level of accommodation shall be reasonable with consideration to the average rates in the location of travel. Penalties incurred for non-cancellation of guaranteed hotel reservations are the claimant's responsibility.
- 1.14 Cash advances are not permitted.
- 1.15 There will be no reimbursement for personal care or recreational items (toothbrush, pay-per-view, items from a mini-bar or other peripheral hotel services).
- 1.16 While away on Board business, reimbursement will be made for:
 - i) reasonable, necessary personal call home each night away;
 - ii) additional business expenses such as business calls, internet connections and computer access charges, facsimile transmissions, and photocopying services.

2.0 MEALS

- 2.2 Reasonable and appropriate meal expenses will be reimbursed. Meal expenses may be incurred when:
 - i) the employee is away from the workplace over a normal meal period (at least 50 km);
 - ii) prior approval has been granted (a business meeting that occurs over lunch).
- 2.3 Reimbursement is for restaurant/prepared food only. Reimbursement for groceries must have prior approval and a written submission submitted with the claim.
- 2.4 Reimbursement will not be provided for meals consumed at home or included in the cost of transportation, accommodation, seminars, or conferences.
- 2.5 Original, itemized receipts are required and reimbursement must not exceed the actual amount spent. Taxes and gratuities are included in the meal rates. Credit card and debit card receipts are not sufficient for reimbursement.
- 2.6 Reimbursement for meal expenses incurred is subject to the maximum rates set by the NCDSB and amended periodically. These rates including taxes and gratuities are:

Meal	Maximum Reimbursed Amount <i>(Includes taxes and gratuities)</i>
Breakfast	\$15.00
