PROCEDURES

1.0 GENERAL PROVISIONS

- 1.1 Parents/Guardians/Adult students must complete the *Online Registration Request* to begin the process of student enrolment in an NCDSB school. The *Online Registration Request* is accessible from the NCDSB webpage. The submission of a registration request initiates the enrolment process but does not guarantee admission to a school within our Catholic school board.
- 1.2 Students shall be enrolled in the grade to which their age corresponds. Should specialized learning situations require alternative grade placements, the Special Education department must be consulted in the admission process. For Kindergarten admission, a student shall be allowed to enrol in Junior Kindergarten in September of the calendar year during which the student becomes four years of age. A student shall be enrolled in Senior Kindergarten in September of the calendar year during which the student becomes five years of age.
- 1.3 In all cases where a student is not eligible to enrol as a Pupil of the Board to generate funding from the Ministry of Education, tuition fees would apply. Principals must contact the Superintendent's Office to verify the tuition process for such a student. A *Tuition Fee Agreement* form or a *Reciprocal Education Approach Written Notice* form must be completed for each student who requires tuition fees, prior to the confirmation of enrolment. Tuition agreements and/or receipt of fees must be finalized prior to enrolment.

- 1.4 As outlined in the *Joint Protocol for Student Achievement*, the Principal of an elementary or secondary school shall admit a student who is a Crown Ward or Society Ward. In these cases, the Family and Child Services Point Person should contact the school to arrange for the student's registration. Where appropriate, the Point Person can, with written consent, delegate this action to the caregiver/foster parent.
- 1.5 The Principal will communicate admission decisions to parents/guardians within 72 hours of the in-person Admission Meeting. If mandatory documentation has not been provided during the meeting, decision-making timelines will be extended to accommodate the collection of information. For students having the right of attendance, admission will normally be granted if the student can be readily accommodated in the existing school structure. Specialized requirements may delay admission timelines.
- 1.6 The completed and signed copy of the *Online Registration Request* and the *Student Information Attestation and Eligibility* form, along with any custody documentation or student baptismal certificates, shall be filed in the Ontario Student Record.
- 1.7 Kindergarten students enrolling into school for the first time are expected to be toilet trained, unless there are extenuating medical reasons.

2.0 ADMISSION TO ELEMENTARY SCHOOLS

- 2.1 Subject to the provisions of the *Education Act*, all elementary school-aged students having the right of attendance shall be admitted to the geographically appropriate school under the jurisdiction of the NCDSB. The right of attendance shall be determined by the Principal by reviewing the parent/guardian Roman Catholic baptismal or confirmation certificate, which shall be considered proof of the right to direct taxes to the English Catholic School Board.
- 2.2 Principals shall ensure that eligible parent(s)/guardian(s) complete the *MPAC-Application for Direction of School Support* form. The completed and signed form must be sent to the board office for submission to MPAC.
- 2.3 The Principal of an elementary school is empowered to admit students of another faith who do not enjoy a statutory right to attend, subject to the provisions of this administrative procedure. In considering a request for admission, the Principal shall consider the reasons given for the admission request to a Catholic school, the age of the student, and the level of home support that will be provided to the student to nurture faith development in relation to Catholic values and beliefs.
- 2.4 The Principal reserves the right to deny admission of a public-school supporter under the provisions of the *Education Act*. Where a Principal is planning to deny admission or has other concerns about a particular request, the Principal shall first consult with the Family of Schools Superintendent. If the final decision is to deny the request, the Principal will communicate the decision to the parent(s)/guardian(s).

- 2.5 If a parent/guardian wishes to have their student transferred between NCDSB elementary schools, they must complete the *Online Registration Request* to initiate the process, and inform their current school principal. The Principal of the new school must adhere to the enrolment process as detailed in this procedure. If the transfer is approved, school Principals will work collaboratively to ensure the transfer occurs expediently. Transfer requests will typically result in admission, providing the transferring student can be accommodated within the existing structures of the new school. Specialized requirements may delay admission timelines.
- 2.6 To complete the admission process, the Principal must conduct an in-person Admission Meeting with the parent/guardian and when possible, the student. This meeting will address:
- i) A review of all required personal documentation to substantiate proof for enrolment and completion of the *Student Information Attestation and Eligibility* form.
 - ii) If the student is attending an Ontario school for the first time, the Principal shall explain the existence of the Ontario Student Record and have the parent/guardian complete the *Acknowledgement of the Ontario Student Record* form as per policy E-8 Ontario Student Record. This document must be filed in the OSR with the *Online Registration Request* form.
 - iii) If applicable, completion of the *MPAC Application for Direction of School Support* form.
 - iv) A review of all information collected in the *Online Registration Request* to ensure accuracy, including at least one Emergency Contact with an operable phone number.
 - v) If applicable, a confirmation of student baptism. A copy of the student's Catholic Baptismal Certificate shall be retained in the OSR to support sacramental preparation activities.
 - vi) The student's FNMI status and completion of the *Voluntary Self-Identification* form.
 - vii) IPRC/IEP information and special needs of the student.

- 3.3 For Roman Catholic families, the Principal shall request to review a copy of the parent's/guardian's or adult student's baptismal or confirmation certificate to be considered proof of the right to direct taxes to the Separate School Board. The Principal shall ensure that eligible parent(s)/guardian(s)/adult student(s) complete the *MPAC-Application for Direction of School Support* form. The completed and signed form must be sent to the board office for submission to MPAC.
- 3.4 Under exceptional circumstance, an 'open access' student may apply to be exempted from taking part in the school's programs or courses of study in religious education and/or faith activities. The right to apply for an exemption does not extend to a Catholic student. Procedures for this process are detailed in provision 5.0 *Religious Education Exemption for Non-Catholic Secondary School Students*.
- 3.5 In exceptional circumstances, students aged 16 and 17 may elect to remove themselves from the care and control of their parents. To complete the admission process independently, students will need to complete the *Notification of Withdrawal from Parental Control for Students 16 to 17*.

 - ii) If the student is attending an Ontario school for the first time, the Principal shall explain the existence of the Ontario Student Record and have the parent/guardian complete the *Acknowledgement of the Ontario Student Record* form as per policy *E-8 Ontario Student Record*.
