

How to participate in the Reciprocal Education Approach (REA) Information For Parents, Guardians and Students

To support First Nation students in reaching their education goals, Ontario is introducing the Reciprocal Education Approach (REA). The REA is designed to prioritize student needs by allowing First Nation students to choose the school that best suits their learning needs.

REA will help change the educational landscape for First Nation students and families by improving access, removing barriers and strengthening parent choice for First Nation students transitioning between school systems in Ontario. This approach was developed in partnership with First Nations and school boards, and comes into effect on **September 1, 2019**.

Through the REA, when requirements are met, students have more options for their education:

- First Nation students who live on-reserve may attend a school of a school board.
- Students who would normally be eligible to attend a school of a school board may attend a First Nation-operated or federally-operated school ("First Nation school"), subject to that school's admission policies.

Important information needed to participate in the REA

Whether a student wishes to attend a First Nation school or a school of a school board, the following steps must be taken:

1. A written notice form must be completed.
 - Please work with your Band, Tribal Council, Education Authority, or the federal government as they will need to complete some sections of the form.
 - Submit the form to the office of the local school of the school board.
 - The forms are available at www.edu.gov.on.ca/eng/Indigenous/
2. Students must register at the school of a school board, even if they plan to attend a First Nation school.
 - Students may be eligible to register at their local school of a school board even if they had not been eligible for registration in the past. Please let the school administrators know that the student is registering with the intent to participate under REA.
 - Contact your First Nation school of choice to confirm admission processes and requirements. First Nation schools determine their own admission policies.

The written notice form must be completed by:

- Parent/Guardian
- Or Student (age 18 and over, or age 16 or 17 who has withdrawn from parental control)

and

- The Band Council, Tribal Council, Education Authority, or the federal government.
