Assigned by the Director of Education, the committee will consist of a Superintendent of Education (who will serve as chair of the committee), the Catholic school trustee from the school jurisdiction, the principal, the pastoral care worker, a staff member from the school, and a representative designated by the appropriate Catholic School Council.

POLICY REGULATIONS

1.0 GENERAL

- 1.1 The objective of this policy is to establish the process for the naming or renaming of schools that supports the Board's commitment and legal responsibilities to Indigenous rights, human rights, anti-oppression, anti-racism, anti-discrimination, and equitable and inclusive Catholic education.
- 1.2 NCDSB recognizes that Indigenous rights are inherent and distinct. Recommendations of possible names for schools will not be such as to infringe or otherwise offend the inherent rights of Indigenous Peoples and will support the rights of all students and employees to an environment that is free from discrimination.
- 1.3 When a new school is approved, when two or more existing schools are amalgamated or when a request is made to change the name of an existing school, the Director of Education shall establish a School Naming Committee to select the school name.
- 1.4 In the case of selecting a name for a Board facility other than an educational centre or school, the committee shall be comprised of the Director of Education, one Manager,

one representative from the staff of the facility, and one Catholic school trustee. The Director of Education will serve as chair.

1.5 The duplication of existing names within the Board shall be avoided.

2.0 PROCESS

- i) The establishment of a school-naming committee;
- ii) A consultative process designed to engage appropriate school community members from the area in which the school is located;
- iii) Research and information gathering relating to name choices;
- iv) A financial analysis of the associated costs of the naming /renaming of a school.

2.2 The School-Naming Committee will report to the Director of Education, through the appropriate Superintendent of Education.

2.3 The appropriate Superintendent of Education will submit a shortlist of no more than three names, in order of preference, to the Board for consideration. The submission shall include a summary of the consultative process, the input received, and a description of the rationale/significance of the short-listed names.

2.4 Notwithstanding the establishment of a School-Naming Committee, the Committee has the discretion to recommend that the name of the school remain unchanged.
