## FUNDRAISING – ELEMENTARY & SECONDARY SCHOOLS

Policy Number: B-10

Authority: 12-173/17-82

### POLICY STATEMENT

---

The Northeastern Catholic District School Board realizes its responsibility to ensure quality Catholic education as it relates to the intellectual and spiritual development of all students. The Board believes that the Ontario curriculum promotes and indeed stipulates the necessity of providing a wide range of educational, religious, social and recreational activities. In considering the various grade levels, financial assistance for some but not all of the activities relating to academic programs is often required. As such, activities or projects initiated by school personnel and/or by parent groups may contribute additional funds. These fundraising programs must be planned in order to meet the financial obligations associated to school activities. All fundraising activities, whether for a school or for an approved organization, shall be related to charitable, humanitarian, Church sponsored campaigns, and/or to enhance school programs, activities, projects, or materials that are aligned with the Board's mission and Catholic values.
